

Mr. MAURICE EVANS

Maurice Evans is the Director of Information Technology (IT) for the Air Force Services Center (AFSVC), Air Force Installation and Mission Support Center (IMSC), Air Force Materiel Command (AFMC), Joint Base San Antonio-Lackland, Texas. Mr. Evans leads a diverse team that oversees \$140M IT Portfolio to deliver comprehensive business technology solutions to AFSVC. AFSVC provides operational oversight and support for force support organizations assigned to the 84 worldwide major Air Force installations across active-duty major commands; the Air Force Reserve and the Air National Guard. AFSVC maintains and executes Air Force services policies, procedures and Air Force-wide programs in support of over 50,000 military and civilian personnel generating over \$2 billion in revenue to enhance force readiness, retention and recruitment.

Prior to this assignment, Mr. Evans held multiple positions inside the A1 Digital Transformation Activity (DTA), Joint Base San Antonio - Randolph, Texas to include Agile Operations Division Chief, Chief Strategy Officer, Chief Engineer, Sr. Program Manager for Customer Relationship Management (CRM), Human Capital Management (HCM), Air and Space Expedition Force (AEF), and Senior Leader Career Management System (SLCMS).

Mr. Evans served an 8 year active duty Air Force career in both the Intelligence and Communication career fields with assignments and deployments all over the globe.
